

Get the Civil War 3000

Written by Supreme Servant

Squeeze Squander and Spin can now offer you this beautiful tax slave repression vehicle, de Civil War 3000 millenium edition. With a gun turret on top to mow done the serfs as their desperate bodies storm at you. With a light press of the trigger finger you effortlessly squeeze the last bit of freedom out of them.

Off course the great leader will make sure his main source of income, his slaves will be disarmed before they realise the trouble they are in. With scare tactics of terrorists and school shooters, you can easily get them to beg you to be disarmed. After that it is easy going. If large numbers rise up, you can even drive over them with your Civil War 3000 millenium edition and it would hardly leave a trace on the pavement.

Heil zu them fuhrer, Obama, Obama, Obama
